Dear Willie:

I have received your letter, and am very glad you are going to camp with us. You can depend on me keeping my word to you. I will give you your offer the second week in camp.

We are elaving here Sunday morning April 2nd, 8 A.M. and will come by way of Camden so we can pick you up. We should arrive in Camden about 10 A.M. I think a good place for you to meet us would be in Bumbreys or the restaurant on Kaighn Ave. If there is some other place you would wrather wait on Kaighn Ave between 8th St. and Broadway let me know right away, but I would wrather make it a definite appointment at the restaurant between 7th and 8th on Kaighn Ave, about 10 A. M.

We are going to train in Richmond Va. and will stay at Virginia Union University.

Very Truly Yours
